11. Leaving the Village and Setting out on a Journey

In this part of the exhibition
you can see objects that tell us about travelling.

Long ago, many people left their villages
to go and live in other cities.

When they left, they were sad
because they left their homes, families and friends.

But in the new city they could do many things:

- meet new people and friends
- see new things
- eat new foods

In this part of the exhibition
you can also see an old suitcase.

In a suitcase, people put the things they need for a trip.

Have you ever travelled?

Do you like travelling?

What do you put in your suitcase?
