12. The MUCIV - Museo delle Civiltà

Here the exhibition ends

In this exhibition you have seen many old things
that show how people lived in the past:
you saw objects used for working,
for celebrating, and more.

In this space there are no objects to see,
because now you are the main character.
If you want, you can come back to the museum
and bring your own object
that tells how we live today.

You can also explain what your object is like.

If you liked Elio's tale,
you can leave us a drawing
or write why you liked it.

This space of the exhibition is for you!
Tell us something about yourself.
